

Name : Muhammad Alfian Syah

NIM : 17.0504.0080

Semester/ Major : 5/ Informatics Engineering

Overview

1. Hello, my name is Muhammad Alfian Syah. You can call me Alfian. I'm 21st years old. I live in Magelang. I'm a student at engineering faculty of UMMagelang. I'm in class 5B of informatics engineering.
2. Am interested with playing Basket, futsal, gamming and others. I hope my future is better than now and also I can find the better job for me.
3. My goals of learning English is I can speak English fluently or sometimes if I meet a tourism and if I have teammate from another country I can talk with them.

Learning Journey

1. I'am learning English from Elementary School or I can also learn from the games I play
2. My English from past to now is very great for beginner like me
3. I expect from your class, me and my friends can understand after learning English also we can doing TOEFL or others English test.
4. I learn a lot of English from this semester
5. The topic that I understand is about CV cause CV is used to apply for a job and contains a curriculum vitae

Conclusion

Learning English is important cause sometimes I will use it somewhere and someday

Yeah I think English can help my future cause few jobs need someone have English skill

I think it's enough to just improve it.
